“ *My Loving Thoughts about My Best Friend AL Angelucci - by Ed Wuster*

AL was:

Always ready to help anyone with any problem they had, and.. in most every case.. he had the knowledge needed, he had a Brilliant technical mind!.

Always the "Early Birder" - Up by 6:00 AM and ready to hit the road. He would drive to his favorite McDonalds and meet up with the same group of "Wise Old Dudes" and they would discuss the affairs of the world every morning.

Always ready to supply a "Guy" who will take care of anything", like a dent in your car.. AL had a "Guy" for that! or.. A/C Problem?? Yes.. AL had a "Guy".

Always ready for something different - many times, when I worked for P&G and would get a Service Call (water leak etc.) far away up in Osh Kosh or beyond, I would call AL and ask if he wanted to come along, and.. of course he did! and.. we always made it a fun time.

Always ready to Smile and Laugh - AL loved to laugh and he made me laugh a lot !, The slightest funny thing we encountered on our many drives and Lunch, Dinner stops would trigger our laughter. He was a Happy Person!

Always a meticulous Dresser. While I wore any old thing and maybe a Purple shirt with Green pants and an Orange hat, AL would always be perfectly color coordinated. He loved to dress up and wear his Tux at Dinner Dances, Cruises etc

AL (and me too) Loved Cruises. AL had been to every Caribbean Port and many European Ports and Alaska etc. He was always ready to book another Cruise! We were planning an Alaska together

one later this year.

Always an Expert on precious Jewelry - AL knew the value of any Gem or Gold jewelry, He could have been a Jeweler, and.. If he was buying, He would always get the price down.! He was an Expert Bargainer.

Always Frugal - I used to kid him about that, but.. he certainly saved a lot of money over the years by turning off lights, getting the long life bulbs and getting the best prices on everything.

Always ready to go out to dinner. - AL had been to every restaurant in Lee and Charlotte Counties. He could give you a critique of their food quality, prices and Service. I told him he should be a "Mystery Diner" and have a Newspaper Column to give Restaurant Reviews.

Always had a Big Heart - AL would do anything for a Friend ! and.. I would do anything for him!

*I Loved him! - I will miss him Forever!!!

“ Lori and Al came to visit Mike, Sawyer and I after Sawyer was born. They drove several hours out of their way just to visit us and see our new son and that meant the world to us. We will never forget how kind and loving they were to us. Al will always be in my heart.
