“ *Ann was one of the strongest person I know. She handled her medical issues with the grace and strength that few people have all with the intention of being here with us.*

I loved her laugh. It was contagious.

I think when Anne became a grandmother It was one of the best days of her life. I'm so glad she got to spend time with this beautiful blessing Logan.

Aunt Ann would always buy the advent calendar with chocolates. That was Toni's favorite! All through the years Toni remembered that.

Another memory was when Matthew came to an extended family function in Buffalo. He went right over to aunt Ann sat next to her and hugged her. Children loved and trusted Ann.

Another most recent memory was when Ann was discharged from the hospital the very next day she came to see Anthony in a lacrosse tournament. She sat on the sidelines, enjoying the game and being with family. After we went to Liz's home and shared a beautiful family dinner. She's so enjoyed her whole family being around her especially Logan as we enjoyed her.

She as a strong and courageous woman in all she had to go through with her health. I will miss her smile and friendship very very much. She absolutely treasured her grandson Logan and loved her family very much and her dogs. Ann. Rest now, you are home.*
