“ I came to know Mrs.Mady through my friendship with Terry & Rick. She was the matriarch of a great family.It always warmed my heart to see the close relationship Mrs Mady had with her daughters and granddchildren. It served as an example for all of us to follow. Mrs .Mady had a tremendous character, filled with wisdom, warmth and generosity of spirit. She touched so many people, and everyone she touched fell in love with her, as did I. My wife and Mrs.Mady became best buddies constantly encouraging each other and always laughing (giggling). For that I will forever be grateful.They say "they don't make em like that anymore." Well in Mrs.Mady's case that is certainly the truth.She will be sorely missed as will be her laugh and smile. Love David Brenner.

“ When I was a very little girl I had never seen anyone with blond hair. All the mady's had brown/black hair. So when I would go to Grandma Mady's house which was across the street from where i lived and Uncle Raymon was their with Aunt Bea I would just stare & stare at her. I thought was was a fairy princess...her hair seemed magical to me and she was ever so pretty. In time, I found out that not only was she beautiful OUTSIDE she was even more beautiful INSIDE. She was was smiling and enjoying life. I often wondered what her secret was.
