“ *I am so saddened to hear about Brian passing. I worked with him 2010-2013 and just loved him. He was so much fun, caring, and just a great person. I am in shock he is gone far too soon. He deserved to live 30 more years bringing joy to everyone who was lucky enough to know him. To his family, my thoughts and prayers are with you.*

“ I was heartbroken to hear about Brian’s passing. He was truly one of a kind, always charming, a genuinely good person, and someone whose incredible sense of humor brought light to every room he entered.

What I admired most about Brian was his deep love for his family. It was clear in everything he did and said.

Please accept my deepest condolences. My thoughts are with you during this difficult time. May you find comfort in knowing how many people were touched by Brian’s life.

“ It has been heart breaking to find out that such young person has left us to be with the Lord. Even though it has been years since I last saw Brian, I will always remember our time with him and his sisters. I will never forget his sense of humor, jokes, and laughter. He made people laugh even if the person did not want to. He had a very contagious laugh which I always loved about him.

Our thoughts and prayers are with Brian's family. We ask the Lord to give your family the strength that you need. May your cherished memories with Brian give you peace and comfort as you navigate this difficult period.

My heart is with you during these challenging times.

Que Dios lo tenga en su santa gloria.

Blessings,
Marisol, daughter & granddaughter (Silva)

“ *Brian es luz, su sonrisa eterna y sus bromas forman parte de mis memorias favoritas. Haber conocido a la persona y su amor por la familia y la devocion con la que vivia, entregado a Dios. Tener una mesa llena de las personas que amaba era lo que generaba pasion en el. Gracias amigo por las memorias compartidas. Mis mas sinceras condolencias a Diana y su familia. Que en paz descanse y estoy segura que Dios recibio tu alma con la misma o mas alegria con la que te abrazabamos siempre!*

“ *It's difficult to write about you in the past tense, you weren't just a former coworker, you were my friend. You treated my kids and I like we were family and for that I will always love you. You would smile with your whole heart when you spoke about God, Diana, your kids & grandkids and it made me genuinely happy to hear your stories! I'm going to miss you so much Bryan and I promise I'll try not to cry when I think about the memories because really and truly it was a blessing to have met you and a blessing to have called you my friend!! I pray your family will find strength, comfort and healing during this difficult time, I pray the memories will never fade and will only bring tears of joy! Rest in eternal peace my dear friend!! Love Always, Erika*

“ Bryan, our darling baby brother! You left us a legacy of love, kindness and generosity that will not be forgotten. Your sense of humor and laughter were contagious. You beat the two of us in becoming an abuelito. You leave a void in the hearts of our family and friends, however, we have the blessed hope of seeing you again, for in Jesus Christ's no departure is final. Love, your sisters Dianne and Ginny
