Our family would also like to extend our deepest gratitude to the nurses who cared for our mom. You became more than caregivers—you became part of our family. Your dedication, compassion, and love provided her with the best quality of life, and for that, we are forever grateful. She loved each of you

deeply, and we did too. Thank you for walking this journey with us and for giving her the care and comfort she deserved every single day. Finally, we are also deeply appreciative of the support of the Albertson Fire Company for the great care and support of our Mom over the past several years.

“ Carol and I met as we were enrolling in Hunter College, September 1962. That’s 63 years ago and it seems like yesterday! Carol worked for the telephone company in Yonkers, sometimes into the wee hours of the night, whenever she could to afford her education. She graduated in 1966 and married in 1969. Although, my husband and I moved to Albany, our friendship continued as if we lived next door to each other. Carol and my husband had a special bond because they both graduated from Sacred Heart High School in Yonkers. Even though Carol graduated in 1962 and my husband, Bill, in 1949, they shared memories and friends from “The Heart” . Carol’s brother, Tom, and my husband knew each other from the Yonkers “Y” having played basketball there. Fast forward children and vacations together at Trout Lake, near Lake George. Quickly, Carol’s and Dennis’ children became accomplished adults and married. We attended all the weddings. Last year, I visited Carol to celebrate her 80th birthday and my forthcoming 80th in September. Her simple request for lunch was that I pick up a sub from a nearby Subway shop. We had a lovely visit complete with birthday cake and Linda stopped by too. Carol devoted many years selflessly caring for Dennis until he went to a memory care facility. I think, in the process, she neglected her own health for many years . The long and beautiful friendship that Carol, Dennis, Bill and I shared had a foundation in a deep faith in the Roman Catholic Church. I will miss my friend, Carol, but know that she is worry and pain free with Our Lord.

“ Aunt Carol was a wonderful woman. I am especially grateful for the love and support she was able to give to my mom these last few years as they each were challenged with becoming caregivers for their spouses. Earlier this year she provided me with great comfort when I called to inform her of my father’s passing. I will always fondly remember Aunt Carol as being caring and thoughtful.
