“ Charlie and I worked together in the maintenance department at Pfizer's Brooklyn plant. I was a young engineer working alongside Charlie and I learned a lot from him. I remember the twinkle in his eye on Friday afternoons when he would end the week saying "we earned ourselves a sip of Schnapps". I remember his words of seasoned wisdom saying: "we aren't running a maintenance department here, we're running a Complaint Department! I will miss Charlie. May he rest in peace.
