“Charlie, my friend. I could go on for hours about the laughs we had, the dinners we shared and how I'd consider you one of readers digest most unforgettable people. You made carpooling an adventure. You had a heart of gold, and at times I wished the world had more people like you. Other times, and I'm sure Ro will agree, I don't think the world could have handled 2 of you. You had the unique ability to laugh at yourself. We don't get to live forever but the memories do. You will be remembered fondly. Our hearts break for Ro, but we will help her through this difficult time. I will miss you my friend.
