Condolences from Texas, I'm sorry to hear of your loss of Cliff, I corresponded with him late in life about our families genealogy, we were related through our parents, Fred and my mom Katherine Applegate were cousins, Emily Bartel, Fred's mom and my grandmother Katherine Bartel were sisters, my mom always had good things to say about the McCready family, Fred was her favorite person in the whole world!

“ *I'm so sorry to hear of Cliff's passing. We lost touch over the past few years. He shared an apartment with my brother and I. We were just saying how he was truly one of our favorite roommates. He was very kind, a great storyteller and good humored. I know it's been a quite a while since his passing, regardless much warmth to all of Cliff's family.*

“ Gloria just happened to hear Tim McGraw's "Humble and Kind" playing on the radio a lot over the last few days, and we agree, this was the essence of who Cliff was. Highly intelligent, compassionate , well read, a good sense of humor, good company....Cliff was a very humble and a very kind individual. I will remember him on the front porch at the Ocean Grove house on a Sunday morning, reading a book, swaying back and forth in contentment. We always looked forward to being with him and will miss his company dearly.
