“ *My deepest sympathies to the Reilly, Heery and Severe families 💕💕 I thought I would share some sweet memories with you Here is picture of Colleen and I at my sweet 16! We grew up together sharing joys and trials. We walked home from school together every day and would ride the swing together in the park! We grew and laughed and talked for hours sharing the secrets that teenage girls share. She loved to sing , and dance and clean ! She was wild and crazy and had a big heart ! I loved her family and my time spent with them over the years. I will cherish the memories of my friendship with Colleen.*
