

Confessora Bergara

September 11, 2021

On September 11, 2021 our loving grandmother Confessora Bergara was called back to her heavenly father of whom she adored faithfully and endlessly. Affectionately known as Connie, she was born on August 20, 1939 in Puerto Rico to Maria and Jose Serrano and was one of six children. She always shared stories of her childhood and cherished her siblings and parents greatly.

Grandma was as compassionate and kind as she was beautiful, always teaching us the value of giving and helping others, especially those who needed a helping hand the most. She would never judge and only offer understanding and words of encouragement, always reassuring you there was nothing you couldn't do if you put your mind to it. "I know you're smart, you can do it". Her heart was warm, and her hands were soft. She had the most fashionable reading glasses and loved to read and hear the gospel of Billy Graham. Grandma had an incredible sense of humor and a smile that was contagious. To be in her presence would change your whole day. She was magic. Her daughter Daisy was the light of her life, and grandma always told us what a wonderful and special mother we had. We know she learned from the best.

Grandma loved her daughter, her grandchildren, Jose, Jasmine, Bryan, and Bird, and her two great-grandchildren Jailyn and Kira. She loved children and

would spend endless hours reading to us, drawing with us, and offering us hugs that expressed more love than words could ever convey. Her love for others radiated beyond family members and touched the lives of so many people who remember her acts of kindness towards them and words of sincerity spoken. She was devoted to helping others and would offer anything she had in hopes of putting a smile on your face or making your day easier. Grandma was truly one of a kind. The only thing that rivaled her beauty was her heart. We miss her already, will love her endlessly, and know she is somewhere over the rainbow embracing her sisters and parents again.

In lieu of flowers please donate to the charity she believed in most, St. Judes. To commemorate her and her legacy, always remember her. Let those memories put a smile on your face and let's continue to share the stories of Grandma Connie to always keep her alive in our hearts

“ *Grandma Connie was an incredible woman, who was constantly filled with so much love, light and life. I will always admire how loving and kind she was to anyone she met. She gave the sweetest compliments, loved music and would sway her manicured hands to the beat when she heard a song she enjoyed. She was such a joyful, optimistic, and beautiful soul. She will be missed terribly. I’m so blessed to have known her.* ”

“ Daisy, Larry & Fam. Our deepest Condolences, We are truly sorry for your loss. We are so happy that we were able to visit and get to spend time with Connie and everyone. On Sept 7th, Connie was so engaging, she was fun, always wore a smile and was full of stories. Her last story of her brother and only living sibling (papi) Cheo to us was that he was always working and they Carmen, Connie, Monin and Mary had dolls but they were small dolls. Connie said, One day when Cheo got paid, he brought them all their first big dolls. She spoke very highly of Papi and I am so glad that they were able to see each-other one last time. They were both happy to see each other, laughing, engaging with so much energy and playfulness. We will always cherish that day. It was a day to remember. Papi says “Connie will always be in his heart”. He loved her and will truly miss her. We all will. Mami says, Connie fue muy buena con ella, que le senior la tenga en la reino de Los cielos y que descanse En Paz. May she Rest In Peace. Always, Cheo, Tonita, Rosa y demas Familia, Southbridge-Virginia

“ Till this day It's hard to forget her laugh! Connie and her sister (my beloved Abuelita Carmen)-while they planned their next trip to the casino. I would listen in envy and wished I could tag along in the bus ride with them and share some of those crazy adventures. She always made my sister and I feel welcomed when we visited in PR or NY! Walking in she embraced us. Always felt like we were right at home. One thing remains true and her heart was always FULL of love, laughter and acceptance no matter what! She will never be forgotten. ❤️ Sending all our love and prayers from your Florida Family

“ Grandma Connie was such a special and beautiful soul. She had a way of lighting up a room like no one I have ever met. I called her grandma because that's who she was to me despite any blood relation. She will be greatly missed. She touched the hearts of everyone around her and I will do anything to keep her memory alive. I look forward to telling My daughter all about the amazing woman her great grandmother was

“ My deepest condolences to Mrs. Venero, and the entire family. Grandma always welcomed me and treated me as if I were her own grandchild. Her smile was infectious and her jokes hilarious. One of my fondest memories of grandma was visiting her in the nursing home with Jasmine. She couldn't believe we didn't bring her Dominican food for lunch and wouldn't let us forget it. She poked fun at us and made us laugh. She said she could tell by my eyes that I was smart and to marry a good man because I deserved the best. I will always remember her optimism and kindness towards me. I'm very thankful and blessed to have known her. Though I will miss her dearly, I know she is at peace.
