“ *Only today I got to know that my dear friend Craig pass. I am very sad. Even though we haven't been in touch for several years, Craig was always in my mind and considered a good friend. I got to know him sometime around 2001-2 at the time I started my coaching career and he was the head of the New York Coachville chapter. His energy, dedication and friendship always impressed me. He was committed to develop Coaching as a profession and help as many coaches he can reach. I will miss our long conversations during breakfast in the city. Dear friend rest in peace. Zuño Kristal*
