“ *Dave is gone. So sad. I knew Dave from the days at Gerry Park. Then seeing him at Roslyn Fire Dept. activities and fires. Dave had a heart of gold. So friendly, so caring . Seeing you would always put a smile on our faces. We were practically neighbors. I would see you at your home, i would see you drive by me so often. I walk past your house everytime I'm out there. It's going to be difficult but maybe good because i will never forget you. Mary Ann Brandl (RIP) always talked about you and her nephew Dave together at the park and walking him home to her. Dave you were amazing. You will be missed. Always waving to me, always telling me stories about the park and fire house. When your porch is finally finished (sorry the town of Roslyn is being so strict and delaying it) I will look over and picture you sitting there enjoying life. The life you deserved. You are gone too soon. Your funeral today was beautiful. So much outpouring of love and support to you and your family. Rest in peace my friend, Glenn Koebel*

“ Rest in peace Dave. You were a great man and asset to the community and the Roslyn Highlands Fire Company. I'll miss you coming in and having coffee and shooting the breeze. Thanks for your friendship, you'll be missed.

“ Lived across the street from the Nemake/Dorn & Stabasefski family all my life. As a kid every time I walked out of my house I fully expected to see David across the street. I still look there every time I walk out the door. It won't be the same without you David.

Here are a few fond memories of David.

*I remember how much you loved baseball and the fire house! * * * I'll always remember when we were kids, during the spring and summer, you and Karen on the street playing catch. I would sit on the side and watch * * * The day you sang "A bushel and a peck" to Karen. I think you had a crush on her. "A bushel and a peck, A bushel and a peck, A bushel and a peck and a hug around your neck" * * * Snow Days. David was always the first person in Roslyn to clean up his snow. I can still hear the scraping of the shovel at 5am. * * * The first time I heard David yelling "Boom Boom's Coming" took me awhile to figure out he was talking about thunder. * * * David always offered some good advice, especially regarding lawnmowers and snow removal. Thanks David! * * * I saw David a week ago sitting on the back steps of the house. I wish I knew that it was going to be the last time I saw him, this way I could tell him how much he will be missed by the Flynn's.*

We will never forget you and always think fondly of you..... Rest In Peace David!

Was stunned to hear of David's passing! What a wonderful man. He had a great sense of humour, was a devoted family guy, firefighter and took such great care of his property. We remember commiserating with him when the town stopped work on the porch. David, we are so sorry you'll miss sitting on the porch when it is done. We'll miss chatting on our walks around the neighbourhood.
