“ Dawn we will miss your smile. And we've been forever grateful for the nights you watched Zero. We will never forget this text we received while down in Cape May of the queen spread out over your bed (and the following note that she snuggled with you). Thank you for everything. W & B.

“ My friendship with Dawn started back in 1st grade at Our Lady of the Cenacle Elementary School. It was the first or second day of school and I did not have my crayons. The teacher was upset with me and made me cry and told me to ask someone to share their crayons with me. So I went up to Dawn and asked her if she would share with me and she was so shy and just nodded her head yes so I sat down next to her. Our friendship grew from that day on! I will always remember Dawn’s daily brown bag lunch - an American cheese sandwich, Fudgetown cookies, and Fritos! I will always cherish my memories with Dawn and will miss her dearly. My heart is forever broken now. 💔 Sleep in Peace My Dear Friend! You will always be the “Wind Beneath My Wings” ☐
