“ In biblical times, when a Roman died, the only question friends asked was 'how much passion did he have'? In this case, I only ask "How much compassion did Donna have?"

I never had the opportunity to know Donna, but my son had the very good fortune to meet her at the Rome Airport three weeks ago, returning from his honeymoon. My son & his new bride were trying to return to Kennedy Airport and they were being bumped off their scheduled flight by the airlines. Donna saw their plight and need for them to get on the flight and gave up her tickets for them. When someone does an unselfish act without asking for anything in return, they are a truly compassionate person. I will never forget her gracious and kind act to my son and his bride....and I am deeply saddened by her passing.

“ Donna and I were buddies and classmates at Christ The King High School. She was always smiling and the life of the classroom. I still have some of her art that she would draw for me while we were in class. I was so happy to reconnect with her on Facebook and enjoy all her wonderful pictures of her fabulous trips. My heart was broken when I heard of her passing but I know that she is in Heaven and is watching over us. I will see you on the other side, Riposare in pace.

“ Donna was filled with life, We met in high school over 40 years ago. We were the “ Family” in Art class. Always the clown with a smile on her face.
