“ Although I have never had a chance to meet Doris in person, we have spent hours talking and laughing on the phone, and I have heard so many funny and wonderful stories about her that I feel we have become quiet close through our interactions. She was the most active, daring person I have known, and so full of life that it is hard to believe she is gone...

My deepest condolences to her family and all the people who have loved her! May the memories of her bright and lively personality outbalance the sadness of this day for you!

“ Dear Doris Ann & Billy,

I was so shocked and then so saddened to receive a phone call 2 nights ago about Doris having passed away. My deepest sympathies to you both on the loss of your precious mother. I have so many wonderful memories of Aunt Doris, and oh, how I used to look forward to your visits. When Doris, Billy and Doris Ann were going to be coming out to LI for a visit I just could NOT wait for you all to arrive. Aunt Doris was a larger than life figure for me as a child, and even as an adult. I remember her laughter, oh what a laugh she had, and her sitting down at the piano to play all sorts of songs, some of them so silly for us kids (like the Hasenpfeffer Song...) and then be able to play and sing the Ave Maria without missing a note or a beat. I was always so happy to see Doris!! She brought fun and life into my life for sure, and I will never, ever forget anything about her!

I am certain you will miss her terribly and that in these next days will have so many memories of Doris for you, too. What a bright shining star she was where ever she went and whomever she was with! Everybody LOVED Doris!! I know you'll both cherish all those memories for your lifetime.

May the Lord of all Peace, Love, Comfort and Wisdom descend upon you both now and in the days to come and bring you peace during your time of mourning. Although I cannot be there in person to remember and celebrate the life of Doris, know that I am there in spirit!

*With much love and deepest sympathy,

“Doris was like a mother to me. After my father passed on Oct 19 and Billy was born 3 days later it was like a gift from God and we were all together ever since. We babysat, we played dolls as kids, ate together, sang songs on our car rides, did puppet shows with hand-made puppets that we made. I was the monkey who pulled the curtain in our show. Not much talent but she found a job for me to do so no one was excluded, played the piano. My son Peter said to me if it wasn't for Doris I wouldn't be playing the piano today, because she taught me and I taught my kids the little ditties I learned, Heart and Soul, etc. With all my heart I loved her and with all my soul I know we will be together again one day to share eternity with our Lord Jesus. In His love and mine, Kay (Haas) Charon xxx
