“ *Betty Malinoski, or Mrs. Mal as I called her, was a truly remarkable woman who had a profound impact on the lives of so many people, particularly mine. When I think of her, I see a woman whose strength was shared through love, laughter, sincerity, and faith. She possessed not only wisdom but also the rare ability and patience to listen AND hear. She, with her husband Lee, made a huge contribution to so many and they did so quietly, with love... one person at a time. Her physical presence will be missed, but her spirit and the memories she made will be with us forever.*
