“ She was the matriarch of our family, she fought hard to bring her Boys Edgar and Wilfrido into a better life for themselves. She was elated to watch them turn into role models who guided their families to success. Her charter was one of legend, she was both loved and feared as the queen she was. Grandma was the strongest person I’ve ever known, her unyielding resolve was matched by no one. Her memory will live on forever and her blood will always run through the veins of her grandchildren: Jennifer, Eric, Philip, Michelle and Richard.
