“ We all need some time for tears and sorrow, not for the one who is now at peace with God in Heaven, but for ourselves as we realize that things will never be the same. We have been friends for 38 years, since the time that he punched a hole in my ceiling to fix a leak. When the job was done, I asked what about repairing the hole in the ceiling, he said “we don’t do that”. I teased him about that for almost 37 years. I am blessed to have had you as a friend. We have shared good times, bad times, happy and sad times. God bless you and keep you until we meet again.

“ Thank you for all you have done for me and your great grandson, jaden. You are an incredible soul and I am so grateful to have known you. From your hearty laugh to your endless knowledge and debatable nature, you were full of so much love and light. You will be missed dearly!

“ Dear Grandpa Enzo,
We'll always remember you grandpa because there'll never be another one to replace you in our hearts, and the love I will always have for you. We had a wonder grandfather, one who never really grew old; his smile was made of sunshine and his heart was solid gold. I am glad you can be up above with daddy now watching down on all of us (especially grandma). Our lips cannot speak how we loved you, our hearts cannot tell what to say, but God only knows how we miss you.

Rest In Peace Grandpa - Until We Meet Again <3

“ My dearest grandfather,
Your precious soul has & will continue to touch the lives of so many. From your contagious laugh, & your kind heart. Thank you for raising us & taking care of us. Picking us up & taking us to school everyday. For making us your priority, & taking care of daddy. You were the most selfless man I knew. my only grandfather. I'm sad I couldn't help or take your pain but I know you're back with daddy and Jo Zaza smiling shining down. I will always envision you pulling up in the dooty truck & your cargo winter jacket, watching Anchor man over & over again eating biscotti cookies. You have softened everyone's heart in the middle of chaos & always made everyone feeling good & happy. You are and will continue to be a blessing to everyone's life. Thank you for catching Grandma that night & saving us.

*Love indefinitely,
Baby Ricki*
