“ *Early September we just had a block party in the neighborhood, and he was out and about having a great time. Reminiscing the good o'days about how the block was back in his days when he was young and his kids were growing up around in those time. He sat with us and got to know my family. He left like a gentleman and went to the neighbors and having a beautiful time and eating with laughter. I'm going to miss him. My condolences to his families.*

“ *Hi, my name is Rosemarie. I have been a client of your dad back in the 70s. He did my wallpaper for me. He was the most wonderful person ever and did the best job. I needed to post this because I am a cousin to NickyDeStefano and Anthony DeStefano And Frank has left a mark in our heart for many years. I spoke to Nick about him. My deepest condolences and prayers are with the family. May Frank rest in peace. I'm sure he will be so missed.*
