“ *Our prayers are with you, the family. Uncle Frank always, always welcomed us with open arms when we visited and made us feel very much at home. Showing off his backyard garden at every opportunity. Rightfully so! I will always remember how he would stop as we walked through his garden to give us a snippet of information about each plant. You could see the pride in his eyes as we stood back at the end of the private tour and admired the results of his endless attention to his garden, which spoke for itself. Thanks for those memories uncle Frank. I will forever remember and miss you. Peter Zoffranieri and family. Richmond Hill Ontario, Canada.*
