“ I worked with Frankie at the Village Club for several years. He was a hard worker, always kind to me and a gentleman. We always liked to talk at some point in our work day and made each other laugh. One thing I know for sure is how much he loved his family and that he will be missed by many. My condolences to his wife and family. Lori D

“ There are so many stories to share of Frank. More than 23 years worth. A personal one that is forever burned in my mind is when I ran the Port Washington Turkey Trot. As I came up the road, I saw his head peeking from 11 Avenue B with our dog Jewel and a bottle of water. It was so cold that day and there he was waiting for me. I left the course there and walked home with them. So endearing.
