“ *It had been awhile since being in contact, having worked for many years with him at NYU. His photography, mandolin playing and his raising of Labradors. I am sorry for his passing.*

“ *Dear Abby, My dear friend, I am so very sorry to hear of Greg's passing. Please know we thought the world of him and of you and always had the fondest memories of our time together. Although it has been many years, our memories are very special. I know you will miss him so very much as he was a truly free and wonderful spirit. Now we will look forward to seeing him again one day. Sending you much love, Sherry & Price Jessup*
