“ Just wanted to share some good memories I had with my uncle:
* Going to ham radio conventions in Long Island with him in his Nissan Maxima
* Launching model rockets together at Evergreen Valley in winter in Maine
* My high school graduation dinner at the Oxford House in Fryeburg, ME
* Cookouts at grandma's house in Roslyn Heights on the patio with the rest of the family
* Watching the Super Bowl with him on the couch in Roslyn Heights

I'm pretty bummed he passed before I could see him again. Life... it's a pain in the butt, and too short.
