“ *Me Gregory.
It was a pleasure knowing you for 20 years. You brought wisdom, happiness and abundance of love to us. You are like a father to me, and a grandfather and best friend to my sons. These two years were difficult but with love and patience we accepted god's will. It was a privilege taking care of you.*

*Love always and forever

“ My husband and I met Gregory 20 years ago while travelling. We stayed at Dolphin Green for a while and I remember his generosity of spirit but mostly our meaningful conversations at the kitchen table over coffee and cake. Sometimes he would buy the ingredients for me to make the cakes - I thought that was a fair deal! He would play music and he kept current with what was happening around him. We stayed in contact via email and odd phone calls and I saw him 3 years ago when I came to New York. We may live far away in the South Pacific but he has always been in our thoughts and will continue to be. God Bless. All our love to you Gregory. Your friends, Julie and Greg from New Zealand xx

Gregory Piekos and I were good friends. We work together at Thomson Industries. He was very helpful, kind, intelligent and insightful. He was a graduate of St. Bonaventure University. We had many Theological discussions after normal business hours. On Friday evenings, while working late with a delicate back – Gregory would carry my briefcase out to my car without being asked. After I resigned from Thomson 17 years ago, we kept in touch via letters, email and telephone. His handwriting was perfection. My wife and I had a delightful lunch with him a few years ago during a trip to Long Island. Our last conversation was by phone perhaps 3 to 4 weeks ago. He sounded frail but was coherent and appreciative of our years of friendship. Gregory was a religious man, a devout Catholic, and I know he is now with our Lord and Savior for eternity.
