“ *To Jackie's children, Dan and his family, Mrs. Conti, and Denise, Doretta and Joe. I was shocked and deeply saddened to learn of Jackie's passing yesterday. I remember when the Contis moved to Greenbriar Lane and how excited I was to have a new girl my age living in the neighborhood. Jackie, Andrea and I had so much fun during those St.*

Peter's years. I could go on and on with memories, but I'll leave it at just a few. We adored playing with our Barbie dolls way beyond when most girls thought it was cool and it was our little secret. I fondly remember playing airplane in the Conti's back yard. Danny and my brother Richard were the pilots and us girls were the stewardesses. We had great fun spending a few nights with the Contis when power was restored to them several days before it was restored to our house during a storm. Jackie had a pile of 45s that we played on her record player and we danced to all night. We spent many hours a week in each other's company playing, laughing, singing, and having that great kind of fun girls had back in the day. May you all have fond memories of your dear mother, sister, daughter, and cousin that will help lift and sustain you in your time of grief. My deepest sympathy, Michele Balletta Butterfield
