“ *Having never known him extensively, other than FB and 1 personal meeting, I can tell you all of my many interactions on FB had me pleased to know a man of much love for his family and friends; a man who opened his heart and spoke with caring and consideration. A man who rebuilt his life with strength and integrity; a man with a wonderful sense of humor. . To all of his family, I am so sorry for this huge loss. I am sorry to know he was suffering and did not know as this was happening. May your Father, Father-in-Law , Grandpa and Husband RIP and know that he was loved by many. Thank you Jim for the many laughs 🙏*
