“ *No words can express the sorrow on the passage of Jimmy! Jimmy always had time to talk to my dad, Tom, when he was coming or going to Marianne and Mike's! Additionally, Jimmy always made time to have a chat with me "Aunt Mo" as he referred to me! If he saw me on a Sunday morning dropping something off at M&M's house, he would say "WFUV" will be on in a couple of minutes! Jimmy and Justin you should be so proud of your parents! My thoughts and prayers are with you at this difficult time! 🙏🙏 Maureen "Aunt Mo" Rogers*

“ *I'd like to keep this short and simple, but that was never Jim Vasek's style. First off, nothing made me more excited than for him to be my future father in law. I already miss our early morning coffee sessions. We would talk about how much he missed his wife, whom he truly adored, his wonderful sons, his struggles with contact lenses & life lessons. A man that truly only wanted to help others, he helped me renovate my studio for my job after only dating his son for 9 months. His key phrase to Jimmy Jr and I: "You guys are gonna miss me some day" Little did we know we would lose him so soon. The world lost an extraordinary man. My heart is broken but I am honored to have known him. Thank YOU for being you Mr V.*

“ We were so blessed to have known Jimmy for a very short time. We had many good times together usually at Pat and Dans home or Latitudes in Compass Pointe.
He was very proud of his sons and their service. He had commented on sign we had on our lawn and we had one made for him. “We Support Law Enforcement. Thank you, The Vasek Family. He thanked us numerous times!
Sending prayers to your family ,

“ Our story began more than 30 years ago working with Jimmy at Nat Grid where we have known him to be a hard worker, loving husband and father. Jim always made himself available to help co-workers and friends, putting others first. Our relationship with him evolved into a great friendship, and in the last four years he became part of our family. While Jimmy was preparing for his next chapter in life, we opened our home to him and his beloved dog, Sadie, as he was building his beautiful new home in Compass Pointe, Leland, NC. Our outgoing Jimmy easily made friends within Compass Pointe, many while walking Sadie, and always willing to stop to converse with others. We rode bikes like we were 12 years old. Had low country boil dinners at our house while Sadie swam in our pool. He loved participating in the golf cart parades with our friend Linda, with a Budweiser in hand waving to friends and neighbors. We played fierce games of Mexican Train with Joann and Bill. He was an avid golfer, so much better than us. We had many adventures like getting our golf cart stuck in the mud and him ripping off the back of our golf cart with his pick up truck. We laughed and entertained each other. We stayed up to the wee hours of the morning talking and telling stories. We created happy memories with him and were looking forward to making more. We are so honored to have been part of his life. His memories will remain in our hearts forever. We are comforted to know that he is now with his high school sweetheart Cathy. We will miss you. Love you Jimmy. Love,
