“ My mother and I both worked for Jan back when Cozzene and Ogygian were at Belmont. I have such fond memories of his kindness for everyone in the barn. I have thought of him and John often over the years.

“ When someone you love becomes a memory, the memory becomes a treasure. Find strength in God, as the Gates of Heaven open up to reveal strength and comfort during this difficult time. Memories last forever. May Jan fly with the angels. Maggie

Maggie that was beautiful. I want to let you know that I was blessed to have Jan ask me to work with him as a hot walker at Belmont around 1977. I was 16 yrs old and I remember you had a new baby at the time. I lived a few houses down from you and I always was happy to come over to say hi, and you were always so hospitable to me. I have such fond memories of Jan and all he exposed me to at the track. Nothing but love to you and Jan.
