“ Mom, you are gone too soon and will be missed.

Thank you instilling in me a love for travel, adventure, and being outdoors. We made great memories traveling for entire summers across the US visiting every state and national park in our blue van.

I will always be in awe of the strength and determination you demonstrated after having a stroke. You had a dream to return to your home and although it took more than 2 years you made that dream come true, against so much adversity, and you lived that dream for a year.

Reflecting on your journey inspires me to keep dreaming, take time to enjoy pleasure big and small, and most importantly to love people.

“ Sweet Janet. Thank you for raising two amazing kids. One in particular Deena, my Bestie. You used to let us go everywhere together. So many sleepovers I can't even count. You are an angel now reunited with Joann. ❤️. Hopefully telling stories. If you see my mom I'm sure she's dancing at their place. Say hi and I love her. Yes I get her messages.
Deena and and Thomas will be OK. it'll take time but happy you left from your happy place, home
Thanks for always being my second Mom
Love you
Dawn Beard
