“ My memories of Joe & Marianne go back 66 years to Glendale as Joe and I were in the same class. Marianne, a year younger. Life took us in different directions but 6 years ago we renewed our friendship and spent numerous hours on the phone catching up. One year ago, this week, I called his cell. Marianne told me he was in the hospital getting treated for COVID, and he had passed away. Joe did tell me he had a grandson who was an outstanding baseball prospect at Manhasset H.S.
I spoke with Joe's son about the decision to enroll at IMG ACADEMY IN FLORIDA.
I had hoped to contact Marianne to see how she was doing but lost her contact. Hope all is well and when and if you get this please give me a call.
There are not too many people I have known for 66 years.

“ I will always remember the crazy things you would say. How you always called me Doris and always reminded me that I got the gold card when I married Tony. We all had the gold card having you in our lives. You will be missed terribly but will always be in our hearts. My deepest sympathy to Maryann and the entire Brunetti family.

“ My Dad, Joseph Brunetti was a beloved husband, father, Father in law, papa and friend. He loved us immensely and not a day would go by that we wouldn't know his love for us. He called us all everyday to see how everyone was. He spoke to his grandchildren on a daily basis. He worried and hurt when we hurt. He was the protector of the family. I always knew I could call him in any situation and he would guide me. We will forever continue to laugh and share his memory just how he wanted. I can't express how lucky we all were to have his love in our lives. We will carry him with us forever and know we have the best guardian angel watching over us! Rest In Peace Daddy! We thank you all for all the love and support you've shown and in the days to come. 💔
