“ *I'll plant crocuses like you did for your mother, old friend.  
Now I know why your presence was so apparent yesterday on your  
birthday.  
I'll guard your years of work and documents as you wished.  
I only wish I could have said fare thee well.*

“ *Homenaje a Joseph C. Segen, mi amigo.*

*Adiós querido amigo, buscando estaba para charlar un poco y aquí  
te vine a encontrar.*

*May the stars in the sky hold you up high in the Universe where  
you, already, are. May your smile and humor reach us all down here  
to help us be more tolerant and compassionate, like you always  
were when some of us had the wonderful opportunity to share some  
time with you. You made us laugh, you were generous, and you  
were driven to find out the works of life. Too bad that I just missed  
the chance to tell you all that “y no haya quedado tiempo para  
charlar un poco mas”.*

*Bless you.  
Ignacio*
