“ *I just discovered the news of Joie's passing while at my 30th high school reunion a couple of days ago. I had Joie in 9th and 10th grade at Manhasset High. She was a wonderful mentor to me and always encouraged me to pursue writing further. She is one of the main reasons I am a professional writer today. We remained in touch after high school, met for lunch a few times, and I had the pleasure of reading her original work "Sabbatical" back in 2005. I think of her often, and will always carry with me her inspiring words, energy and tremendous spirit.*
