“ We got to know Pat and Kay Rice when Tom and I moved here in 2009.  
We can honestly say that Kay was the kindest and most gentle of women.  
Kay's smile spoke for her. God must be so happy to have you home.

“ Mrs Rice was neighbor for many years. Kay & Pat Rice moved out to Greenport in retirement in early 2000. They lived next door to us for nearly 20 years and became dear friends as their family became part of mine, watching my children grow up. They were wonderful people. Kay was a real thoughtful and loving person and will be missed by so many. Rest easy Mrs Rice. Sincere condolences to the entire family from the Jensen's. We are so glad your parents were a part of our life.

“ Kay was one of the sweetest people I have ever met. I admired the love she had for her family and the devotion to her faith. I will always cherish the multiple memories of Kay telling me how she went to Boston College every time she remember I was from Boston. My fondest memories are how she played with my son and daughter. They are truly blessed for getting to spend time with their lovely great grandmother. My thoughts and prayers are with the entire Rice family.
