“ *From Mary Novitsky: I want to tell you how truly sorry I am to hear of your loss. Our loss, that is. What a wonderful woman, aunt, mother, grandma and friend she was to so many of us. A true role model who loved and forgave unconditionally.*

“ For my family - the Nissens - Lilli came into our lives after Mom died. She saved Dad from terrible loneliness, and gave him a second life—he loved her so much. She invited him to live with her in the pretty house on Oldwood where she had lived since the 1950’s, raising her kids as a single mother.

For the better part of two decades, when Dad and Lilli weren’t in the kitchen sharing loving memories and goofy jokes, they were always on some cruise ship far away.

Dad considered it his mission to take care of this angel, whose life had had its unfair share of heartache. Then as he declined, she took care of him.

A Port Singers veteran, she knew every show tune ever written and loved singing along.

She had an incredible memory for dates. I, my wife, my kids, and every member of my family will miss her greetings cards, which always arrived a few days ahead of our birthdays and anniversaries.

She leaves behind a beautiful, big, loving family all the way down to great grandchildren. They are so lucky to have had her their whole lives.

For my kids, she is the only grandmother they have ever known. They miss her terribly.

A sweeter, more caring person I’ve never met. Rest in peace, Lilli.

I am so sorry I can't make it to Lilli's service. Peter has said it so well. Lilli was a wonderful addition to our family circle.
