“ Rest in Peace Aunt Marge. I know you had a huge welcoming committee as you entered the Pearly Gates! Your "bestie", Aunt Helen handing you a glass of Pinot! You definitely will be missed here but Uncle John needed you with him. Give all our family members a hug from us and rest easy until our entire Tucholski family is reunited again. Love, Andrea (Amy) and Marty Hill

“ I was very sad to her of Marge's death. I have such fond memories of the kindness and friendship of Marge and John. They were a wonderfully warm and generous couple and so kind to strangers like me.

I offered Mass for Marge today and also remembered John. I am very sorry that I am not able to honour her by attending at her funeral services and to be with you at this sad time,.
