“ *We wanted you to know how deeply sorry we are for the loss of your precious mother and grandmother. Eight years ago our daughter, fresh out of college had a dream of moving and living in NYC. Margaret took a chance on her and rented her and her roommate an apartment. She treated them as if they were her own. Always ensuring their home was a safe place to live. Although we have never met her, we will always be grateful to her for the imprint she made on the life of our daughter Lindley. May God bless you all.*
