“ *Helen and I have been friends since elementary school. Her mom, Mrs. Paxos, I remember fondly was loving, caring and strict because she loved her children and wanted the best for them. I spent a lot of time at Helen's home when I was growing up and Mrs. Paxos always treated me with kindness and love. I will always remember her beautiful eyes. There were many times I bumped into Mrs. Paxos in the neighborhood taking her walks when I went to visit my mom and I would stop and we give each other a hug. We would talk about Helen's family and mine and other things but family was the main topic. Family was very important to her. Rest in peace, Mrs. Paxos and thank you for your kindness and love when I was growing up.*

“ *Pete and I have been friends since kindergarten. His mom was always a strong presence in his life. Mrs. Paxos was always very kind to me. She had a part in keeping me on the right track when I was a teenager. She would give me that knowing look like she knew that I was up to something and she would say, “Jimmy, you better be a good boy”. I remember her fondly. My condolences to all of her family and friends. Heaven welcomes another beautiful soul.*
