*Dear Cousins all,
I am Gerardo, the son of Wanda, from ITALY.
I am deeply moved for loss of your Mother.
I am convinced that your Mother is in heaven with Nicoletta and Wanda, in the glory of God.
Today, our roots are much more robust.
We all have a great responsibility: keep the family unit, we must put by pride and resentment and to show true love we have inside.
Your mother was an example for us all of union family.
She and my grandmother Nicoletta have always kept alive the link that unites our family.
Looking the pictures of the video tribute in memory of "Zia" Antoinette, I realized even more how important it is love for our family.
I love you all
I hope to see you soon
always at your disposal, Gerardo*
