

Mark Barasch

November 11, 2025

Mark Barasch, 79 (12/01/1945 - 11/11/2025)

Born in Brooklyn, NY, and longtime resident of Middle Village, Queens, Mark Barasch passed away surrounded by the love of his family.

A proud Vietnam veteran, Mark honorably served his country overseas. He was a selfless caring man who always put others before himself — a loyal friend, a devoted husband and father, and someone who would do anything to help those in need.

Mark loved life's excitement — especially the racetrack, where he enjoyed the thrill of the action, and his passion for sports never wavered. He was a man of integrity, humor, and heart, whose presence filled every room.

He is survived by his loving wife, Laura; his son, Robert; his daughter, Paulina; and his three beautiful grandchildren, Grayson, Robbie, and Samantha. Mark will be deeply missed and forever in our hearts.

We'll be watching and waiting for those signs from above — hoping he's still sending us his winners.

Visitation will be held at Roslyn Heights Funeral Home on Sunday from 10-2PM.

“ Mark was one of the good guys. He always had a smile on his face, a great sense of humor and was a lot of fun to be around. I will always remember the "parent meetings" we would have at Laura and Mark's house with the other parents trying to keep ahead of our teenage boys. All great guys, thank God.

Thank you for your service to our country.

May you rest in peace!

My love, prayers and deepest condolences to Laura, Robert, Paulina and their families.

“ Mark was a great athlete. i enjoyed the times spent at the park playing handball, stickball, punch ball, tag football, pitching quarters against the hand ball courts and hanging out on avenue M under the train station and the pizza place. great memories with him. Joe Manzo.

“ Mark was an extraordinary man with a heart full of kindness and a spirit that could light up any room.

As a lost teenager, I was fortunate to be taken in by Mark and his family as one of their own. Whether it was indulging in Virginia Ham Specials from Andy's Deli on Eliot Avenue, grabbing quick bites at Shalimar Diner on 63rd Drive, or enjoying dinners at Abbracciamento's, I always felt welcomed with open arms and a smile.

He had a gift with words and an infectious love for life. That is how I will always remember him, full of warmth, laughter, and generosity that touched everyone around him.

My heartfelt condolences to the entire Barasch family. May you find comfort in the beautiful memories and the love that Mark shared so freely with everyone who had the privilege of knowing him. His legacy will live on in all the lives he touched.

With love and prayers,

Maggie Amadeus
