

Mark Thomas Brunie

February 5, 2023

Mark Thomas Brunie, 59 of Lake Ariel , PA, passed away unexpectedly but after a long, complicated health history on Sunday, February 5th. Mark was born on March 29th to Peter and Mary Lou in Long Island City, New York. Mark went into the Navy at age 18 and served on the USS Cannole. Following the Navy, Mark worked as a NYC Corrections Officer before retiring early due to his health complications. Mark and his wife Cathy were first neighbors in Queens Village, NY, then friends, and recently celebrated their 40th wedding anniversary. Cathy was the love of his life. They went on to have three beautiful girls: Nicole, Lisa, and Michelle and raised their family in Floral Park, NY. Mark lived for his family especially his seven grandchildren: Bella, Conor, Liam, Jack, Charlotte, Stella, and Markie. Mark was a generous and loving man, a bit of a jokester, and a great story teller. Family was always first and he loved fishing, spending time at the beach, cooking a big meal, and hosting the holidays. As his niece said “ he has always been there for anybody/everybody, and that will never change even if in spirit. He’ll never stop loving and looking over his grandbabies and the women that meant the most to him.” In remembrance of Mark, call your loved ones and squeeze your children or grandchildren a little tighter today. He was predeceased by his parents, his father in law, Fred Anci, his granddaughter Charlotte, and the dogs he loved. He is survived by his wife, three children, six grand children, and siblings: Doris Pell, Peter Brunie, Matthew Brunie, and Jennifer Brunie Deliso, and his Aunts Patricia Schafer and Cathleen Barretti, Uncle Jimmy Krockel and many loving in-laws, cousins, nieces and nephews that he greatly loved. Visitation will be held at Roslyn Heights Funeral Home on Thursday from 2-4 & 7-9 PM. Funeral Mass Friday 10:30AM at Our Lady of Victory Church. Interment to follow St. Charles Cemetery.

Below is a link for those family & friends that can not come to the funeral mass.

“ *My Mark ,
It's been a long time since we have been retired , but we always stood in touch .
Since the day I found out I'll never hear Zsa Zsa again my heart sank and my knees got weak! On February 8 was day I realized I had to take on this crazy world without you always making it better . All I have now are memories of us.
Photos, a few videos just to hear your voice, and remembrance . You left this Earth for God knows what reason, but he took you way too soon. No sign in sight.
Nobody could have seen this coming. I don't think you understand just how much happiness you brought to so many people. You could light up any room you walked in and everybody knew who you were. Nobody was a stranger to you, either. You could walk up to someone and act like you knew them forever.
Everyone was a friend to you. I know you visit me (as you did for Hultz and I) on Feb. 9 give me signs, big or little, to tell me that you're okay, but I still catch myself at the most random of times hearing your infectious laugh and voice. Until we meet again keep a place for me and the prime rib warm ! Cause ZSA ZSA and CHUBBSIE UPSIE miss you dearly ! Always in my heart !*

“ I met Mark over 35 years ago when he became a NYC Correction Officer a young man who was eager to learn every aspect of a Correction Officer I was on the midnight tour my post was the Control room which was the nerve center of the jail. When my regular steady partner who be off I would request Mark because he learned well. Then one night a newly promoted Captain was assigned to the Control room and was nervous as we worked in the largest facility with over 3500 inmates by then Mark was my backbone then all of the sudden multiple alarms went off the jail we were in the big riot situation but Mark remained calm and followed all my instructions all the while the Captain was red as beet. We would see one another at cook outs, BBQ have a cold one or two Mark would be on his motorcycle the last BBQ was in 2017. Once I got on Facebook Mark and I reconnected Mark sharing his life of dialysis three times a week and needed a Kidney I prayed and shared his story. Mark was a man who has always given me respect even when we agreed to disagree oh sometimes they was heated but we always respected one another. Some years ago ago Mark messenger me a phone number I called it and Cathy answered I spoke to Mark and he stated "T" I need you to talk to Cathy cause you know information about Healthcare etc. What I know is Mark loved Cathy his children and his precious grandchildren . Mark who tell me how he was thankful for life and spending time with his family sharing those precious memories on Facebook. Cathy my heartfelt condolences to you and the family your hearts are Forever broken but know that Mark will forever live within your heart for precious memories lasts for a Eternity. Mark is now in God's Care and he will never be Forgotten. With my sincere sympathy, Regenia Trevathan
