“ *A beautiful, kind, and merry spirit, Mary loved to make other people happy and found enormous joy in daily life. I feel so grateful to have had her a part of my life, from the time almost 40 years ago when she welcomed me as the girlfriend of her son Frank, through many years of her caring and enthusiasm for all of us always. I was also lucky enough to be the mom of two of her four beloved grandchildren, all of whom gave her a lot of joy and satisfaction. I miss you, dear Mary. Thank you for all you meant in the lives of so many people I love.*
