“ Jack...Richard and I are so sorry to know that you have lost Michelle. She was an angel to you, her beloved boys and of course her grandchildren who she adored. We will miss her and her perpetually beautiful smile and lovely and kind way. I know that you and your family will miss her more than anyone can know but you have so many loving and wonderful memories to fall back on. Please know that you all are in our thoughts as you move through this difficult time in your lives. Much love, Debra and Richard Provenzano

“ Michelle was the kindest most generous person I know. My son Daniel spent hours at her house with her son Anthony. She always treated him as one of the family. Before we left Port it was always so nice to see her going to visit her grandchildren
