“ *Aunt Millie always made me laugh just being who she was. As a young child, always so excited when she and Uncle Joe came to visit. As a teen and after, they always showed interest in my art and what I was into. She was loud and bold, her voice filled the room. She gave her heart when she hugged you. I am so glad she was part of my life. I believe she lived a full life in small (mostly) and big ways. Rock the heavens, Mean Millie Jean Queen Bee!*
