“Mina was in my library book discussion group. She always brought deep insights to the discussions. We were all when we learned about her passing. We will miss her greatly.

“My dear Mina, you have created a hole in my heart, but wasn't I lucky to call you a friend. You were such a vital force in my mentoring/tutoring program at North Shore child guidance and you gave so generously of your time and love at the autism program at the Sid Jacobson jcc. I will miss you and I am so sorry that I will be out of town for your funeral.
