“ *Ofelia is a synonym of unselfish motherly love, the best grandma, counselor, preacher and friend.*

I just want to express my love and gratitude to the person who became my kids second mother.

I have no words to describe her support and caring demeanor in good times and bad times I will miss her prayers and words of encouragement , she always made me feel special.

She will be forever remembered as the humble, caring, smiling best grandma that someone can have. she will never leave us, she will live on in every memory we shared along our journey together.

God gave us an angel on earth to watch over us.

Rest in peace dear “ nana” until we meet again.
