“ *Pam..our bond was unbreakable. You are what a true friend is. I will NEVER have a friendship like ours again,nor do I want one. We were special. thank you for the past 45 years. Your recent concern during my health issues will never be forgotten. My life will never be complete without you. It is not real to me that I won't ever be hearing from you anymore Part of me died with you. We shared so much that we were a part of each other. Rest in a peace my beautiful friend. Find Dominic and become his friend. My long time dear friend and fiancé together is a wonderful thought. Love you always*
