“ *God Speed Patty
Yes thinking about all the times we laughed with and loved each other. My big sister six years my senior. I am sure she cared for me when I was so young I don't remember. When I was twelve she was eighteen and was off to college. She lived in Plattsburgh NY and I was in Plantation FL. Much distance between us but I always knew she loved me too. In the winter I always wished she would come to visit and warm up. I can only wish we had even more good times. I love you Patty !*
