

Patricia M. Santoli

February 10, 2022

Patricia Santoli (née Tenzler), of Lloyd Harbor, New York, passed away on February 10, 2022 at the young age of 72. Patty is survived by her sons and son-in-law, Brett, Christopher and Steven, and the grandchildren she doted on, Archer and Beatrix. Patty was born in Queens to Charles and Anna Tenzler. Raised in Bayside, she would go on to live in various places on Long Island before moving to Texas in her later years. The birth of her grandchildren coaxed her back to Long Island where she spent her last 8 years loving them unconditionally. Patty made friends everywhere she went. Her friends were a cherished part of her family.

A funeral service will be held on Sunday, February 13, 2022, at 1:00pm at the Unitarian Universalist Congregation at Shelter Rock on Shelter Rock Road in Manhasset. Approximately one hour after the funeral service ends a reception in celebration of her life will be held at the home she shared with her son and his family in Lloyd Harbor. All of her friends and family are welcome to attend either or both of the service and reception. For those unable to attend the service in person, her family hopes to provide a Zoom link soon.

“ Aunt Patty,
I remember my parents always telling me how you were in the delivery room when I was born and you kept commenting about how surprised you were about my full head of black hair. You just couldn't believe it. To this day, that story still resonates with me because you have never left our side and have always stuck with us through difficult times. I am so happy you were there when I arrived, and now 18 years later, I say goodbye to you but I am happy knowing that you are going to reconnect with my mom and the two of you can look down on us and keep us safe. Rest in peace, love you endlessly. <3

Dear Ashlynn, I wanted to thank you for your kind words. I have more memories of you than you would have of me. I remember you all as beautiful young ladies and a fine gentleman. I miss your mom as well. Be good to your father as he is a good man. Stay strong and always smile. Christopher

“ Aunt Patty,
You were in the delivery room when I was born, and I always recall my parents making the comment that you were so surprised that I came out with a full head of hair. That story still resonates with me today, knowing that you were there when I came into this world. You have always supported my family and held us in your hearts through the most difficult times. Heaven gained a beautiful angel yesterday, and I hope you are reconnecting with my mom now and you are both watching down on us. <3

“ *Pat & I were friends for more than 30 years and I can say there was never a dull moment between us. We shared life's ups & downs and Pat was always a great support. Our little adventures have provided great memories. I can't say enough about Pat's warmth, her caring ways, her generosity, her love for animals and her sense of humor. She was a loving mother, a devoted grandmother and an exceptional friend. I do and will always miss her. Pat go in peace and may God bless you & your loved ones.*

“ I am fortunate to have been in Pat’s circle of friendship since 1995.

Her dedication to her work was surpassed only by her ferocious Mama Bear displays when it came to her FAMILY; humans and pets alike.

Those boys!

Archie and Bea!

Immeasurably loved.

Pat would say that this early departure for her was predetermined and set by someone far greater than us all.

Such a rare gem, that Pat Santoli.

Truly a gift without ribbons.

We are all far richer for having been recipients of Pat’s trust and love.

The Morning of February 10, 2022

They say the world cried that day.

I know why.

One soul left it

With a sigh

For all of the times not understood....

All of the things she knew she could

And those last good days that ran out through her fingers.

And in the afterglow

that seems to linger,

Like a memory;

Not quite remembered.

Or a dream;

Not fully dreamed.

I say to you

With a heavy sigh,

Goodnight, dear friend.

Dear Pat.

Goodbye.

be at peace, Patty.

“ I had the good fortune to meet Patty 1999, and she would go on to become like another mother to me. She was always supportive of me and welcomed me to the family with open arms. Recently I went through some very difficult times in my personal life and she made it a habit to call me every 2 to 3 weeks to check on me and my children. She had planned to make the trip to Texas in March to visit with us and I'll always regret that we didn't have another opportunity to visit with her again. Patty, thank you for being there for me when I needed a lift. You will be missed.

“ Pat and I were put together for a reason from a higher power, I'm sure.

She was a customer of Baker Air nearly 7 years ago when we installed a new A/C system for her when she moved from Texas to Long Island. Since that time, we all got along so well that she decided to come and work with Baker Air as the office manager.

We spoke nearly EVERY DAY for 6 years about everything from work to venting about people to life and even losses in our lives.

There is no one on this planet that can replace her position here on earth and especially in my heart.

You will be missed more than words can describe Pat. I love you!

I had the pleasure of meeting Pat when she moved back to Port Washington from Texas. It was like I had known her all my life. A good friend, easy to talk to and confide in. She had a generous spirit and a caring heart. Pat loved her family above all else. I feel blessed to have known her. Our hearts are broken and you will be missed!

Kris, I myself didn't really know you. My mother on the other hand had the utmost respect for you. I was impressed by her loyalty to you and your company. She truly never wanted to let you down. She spoke lovingly to me about you and I wanted you to understand that. I appreciate everything you done for my mom and I hope you take comfort in her passing. Best wishes to you and continued success with your company.
