“ My dad, time has past since you have left us.  
I didn't want you to suffer so I wanted it to happen,  
As days go by I miss u more and more!  
So much of me is you dad!  
You have taught me so much by just being you!  
I learned to help others no matter what is happening in my life!  
I learned the beauty of all types of music, memories of you attached to many.  
And of course I heard your memories attached to many sings too.  
You always had an encouraging word to say!  
You never judged me , had my back in everything that I decided to do in life.  
You were always my biggest fan.  
You set high standards for any man I dated.  
I was looking for you in them.  
You always that I was special.  
You once told a friend of yours when my daughter said she was gonna do  
something she did it no matter what anyone said!  
I have been knocked down a lot past two years watching you suffering, I tried to  
keep you home and felt sad, guilty and defeated when I couldn't do it anymore.  
I knew without your family who was the most important thing to you that you  
would decline and you did!  
I at times couldn't answer your calls cuz I couldn't bear when you asked me when  
can u come home!  
I'm sorry I deserted you for the first time ever!  
Seeing you suffer and you dying has been probably the worst times of my life!  
No matter what happened to me I knew i could go to my mom and dad for  
comfort.  
I can't run to you anymore dad!  
I fell apart but I'm trying to get back on my feet and make you proud of me again!  
Love you and miss you dearly!  
I just hope you finally are with your baby brother cuz until the day you died you  
were grieving his death!  
The is my only peace is this that you are with him grandpa Pasquale and  
grandma Carmela!  
Hope when the day comes that you are waiting to greet me.  
Until we meet again  
Love your Michelina!
