“ *I could not have asked for a better uncle. He was fun and funny and always excited to show me new things, whether it was sailing in the bay, or his favorite irish deli/bar in Manhattan, or how to make a bacon-and-egg sandwich. Little things that we enjoyed together. He was just a great guy and I wish I had spent more time with him. I have many, many fond memories and will always be proud to be his namesake and grateful for having had him as my uncle. Peter Salmon*

“ *I was so privileged to have know Peter for at least 50 years . A designer who's talent was stood way above his industry's standards. But even above that was his honesty and humbleness .*

*I will miss him,
